COVID-19 Prevention

The Local Organizing Committee understands the realization of an international FIS-Cup during a pandemic as a privilege. For this reason, we will execute a 'zero tolerance policy' for deviations from legal regulations and FIS/OESV(Austrian Ski Federation) guidelines. The health and safety of everyone involved in the competition has the highest priority.

Athletes, Team-Captains, officials, jury, LOC and volunteers are responsible for their compliance with the statutory regulations, and prevention guidelines in their respective areas of activity.

Each participant and the National Ski Associations confirming with their entry, to comply with national legal requirements, and guidelines by the FIS and the Austrian Ski Federation (OESV)

The Risk Management and Testing Protocol for the Eisenerz venue is based on 'Statutory Requirements (Sozialministerium)', the 'FIS Covid-19 Risk Management & Testing Protocol' and the 'Ski Austria Covid-19 Guidelines'. The guidelines will minimize the risk of COVID-19 transmission during the event and to enable athletes to participate on following competitions. The LOC utilizes also a separate 'COVID-19 Prevention concept' document, in alignment with the 'Austrian Ski Association', the management of the 'Erzberg Arena' and 'Local Authorities'.

TCM

The TCM will take place in the Music school with a 2m distance between attendees. Only the Team Captain or one representative of each competing team can attend the TCM in person.

Use of Masks

Every person in the area of the Erzberg-Arena must wear a FFP2 mask without exhaust valve. Masks should be worn (covering mouth and nose) by all accredited individuals regardless of immunity and vaccination status.

Exceptions: When drinking or eating and athletes during sport. Athletes may remove the mask after equipment check at the starting area of the hill. In addition, every Person must maintain a 2m distance from other persons.

We ask EVERYONE, to TAKE RESPONSIBILITY and comply by all means with requirements and guidelines as listed above! Stewards and LOC members might check and enforce the COVID-19 requirements. We will be most effective, if EVERYONE simply adheres to the requirements for his/her own safety and the safety of others.

In case of violation or non-compliance with the COVID-19 guidelines, we reserve the right to exclude concerned persons from the event and take legal action.

The LOC reserves the right to react to any changes in government and local authorities and take appropriate action.
